**Söldner-X: Himmelsstürmer hitting the PlayStation®Network on December 4<sup>th</sup> at a price of \$9.99 only.**

**For Immediate Release**

**Hong Kong - November 25, 2008** -- eastasiasoft, Hong Kong based publisher of interactive entertainment, today announced that their long-awaited shoot 'em up game Söldner-X: Himmelsstürmer (URL: <http://www.soldner-x.com>) for the PLAYSTATION®3 computer entertainment system is finally hitting the PlayStation®Network in North America on December 4<sup>th</sup> at a price of \$9.99 only. Further territories, including Europa, Asia and Australia will follow shortly after at a yet to be announced date.

Söldner-X: Himmelsstürmer delivers an addictive classical gameplay combined with high definition graphics in up to 1080p, 2-player co-op mode, online ranking leaderboards and so much more.

The game is the publisher's first step in reaching its goal to recreate seemingly 'lost' game genres and consequently bring back true arcade action and fun to the home. Söldner-X is the must-have downloadable title for the PLAYSTATION®3 system this Winter, offering incredible value at a fantastic price.

The official trailer is now available for download at:

**About Söldner-X: Himmelsstürmer:**

Set in the distant future, the game is a fast and furious shoot 'em up with state-of-the-art graphics, driving soundtrack and classic fun gameplay sprinkled with fresh innovations. In the storyline, planet Earth's resistance aims to stop a deadly infection consuming both life forms and technology alike, oddly having to rely on an anti-hero mercenary and bounty hunter to pilot a mighty prototype star fighter. His goal: To fight his way to the virus' origin, save civilization and earn cash to boot!

**Key features:**

- Twelve stages of beautiful parallax graphics and animations, staged across four fantastic world/space settings
- High definition graphics in up to 1080p
- 2-player co-op play
- Online high score ranking
- Beautiful weather effects (such as rain, fog and lightning)

- Unique upgrade weapon system with five standard weapon types
- Plenty of hidden bonus features
- DUALSHOCK®3 and optional SIXAXIS™ support
- Trophies support
